Chuck Key Handle

The Chuck Key Handle is designed to snap onto a standard chuck key giving better leverage during tightening of a chuck. It also helps keep a chuck key from slipping or being dropped during surgery.

Product No: 5560
Chuck Key Not Included

Snaps onto a standard chuck key for better leverage

Large Handle Chuck Key

Designed to allow a chuck to be tightened and untightened easily. Available with a 1/4" chuck key on a 7" shaft.

Product No's: 5517-01

For easy tightening/untightening of a chuck
