

INNOMED, INC.

IF-721-001-A Sterilization Confirmation

In order to avoid exposing the employees of Innomed to potential hazards and also to meet the requirements of CFR 29 part 1910.1030 regarding Blood borne Pathogens, Innomed requires that certain goods be sterilized before returning.

Any product that has been used in a surgical procedure or on a cadaver must be sterilized prior to being remitted to Innomed.

Contact customer service at 800-548-2362 to obtain a Return Merchandise Authorization (RMA) number. Complete all information on this form and return in a packing envelope along with the accompanying items. Please note that Innomed will not accept any items that are not returned with this form.
